

Beachside...

Saunter across undiscovered places and discover the best kept secrets along the Upper Bay of Fundy

It Can't Be September Already?!

When I turned the calendar over this morning I tried to remember doing the same last month. Time just flew by and August was a whirlwind of activity dominated by custom tours. In total I conducted 23 guided tours and one lobster boil! Somewhere in between we squeezed in a specialist appointment in Halifax and an all-day veterinary day for the pups in Truro. Today was a day for catching up with chores, cuddling puppies, baking up a new batch of Fundy Jewels for upcoming tours starting this coming Tuesday.

I want to take a moment to thank my supporters: the local businesses for connecting me with new clients and opportunities, but my business would be nothing without my clients... read more about how I feel on page 2. **Anna**

RETREAT

Photography Retreat in Parrsboro

Calling all women photographers!

We're putting together something truly special—a retreat in the Geopark town of Parrsboro, NS this October 11, 12, 13, 2024.

Limited to just 6 spots, this is your chance to recharge, connect, and create alongside fellow artists in a place where nature and creativity collide.

Details are still in the works, but you won't want to miss this. Stay tuned—announcements are coming soon!

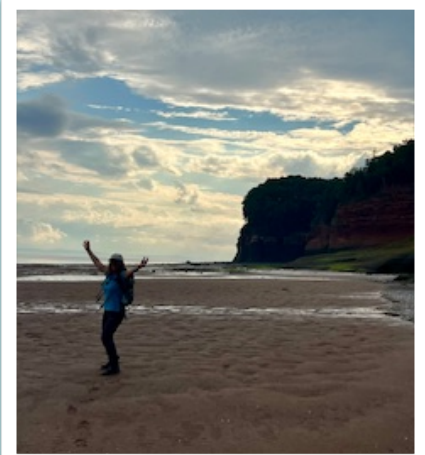

Book and Pay before Sept 15th.

\$595 + tax (single room)
Regular \$695

Only 3 single rooms left.
and 1 shared room
(if you can find a bunk buddy \$495 each)

CLIENTS - THE LIFE BLOOD OF ANY BUSINESS:

Rainy days without bookings are always great for reflection. September 1st is the first real day without commitments and today I have a chance to scroll back through my August photo galleries brimming with smiling faces, expressions of awe and breath-taking scenery. What a fantastic month it has been! Most clients booked their custom tours well in advance, during chilly winter months and early spring. A few openings remained and they were quickly filled with last minute requests for guided hikes, driving tours and even a lobster boil (that took some coordinating and involved three hours on the road to secure four live lobsters for an authentic experience!) In the end everyone was happy! Thanks to my clients from across Canada, the United States and Germany. My business would not exist without your support, the trust you put in me for planning your special event and the amazing feedback you provide on TripAdvisor! Thank you, everyone!

August 2024 - Tribute to Tour Participants...
